

Standardised Tests

Trialacha Caighdeánaithe (Standardised Tests)

Baintear úsáid as trialacha caighdeánaithe chun féachaint conas mar atá ag éirí le páiste sa **léitheoireacht Bhéarla / Ghaeilge** agus sa **Mhatamaitic** i gcomparáid le páistí eile sa tír **atá sa leibhéal ranga céanna**.

*Standardised tests are used to compare a child's achievement in **English / Irish Reading** and **Maths** with those of the other children in the country, **who are in the same class level**.*

Conas scóir STen a thuiscint

Téann scóir STen ó 1 go 10. Sa tábla thíos feicfead an rud a insíonn na scóir STen difriúla mar gheall ar dhul chun cinn do pháiste sa Léitheoireacht Bhéarla, sa Mhatamaitic agus sa Léitheoireacht Ghaeilge.	Míniú an scóir	Cionroinnt na bpáistí a fhaigheann an scór seo
Scór STen 8-10	I bhfad os cionn an mheáin	1/6
7	Meánach ard	1/6
5-6	Meánach	1/3
4	Meánach íseal	1/6
1-3	I bhfad faoin meán	1/6

How to understand STen Scores

STen scores go from 1 to 10. The table below describes what the different STen scores tell you about your child's achievement in English Reading, Maths and Irish Reading.	What the score means	Proportion of children who get this score
STen Score 8-10	Well above average	1/6
7	High average	1/6
5-6	Average	1/3
4	low average	1/6
1-3	Well below average	1/6

Tugann trialacha léirgeas duit conas mar a éiríonn le páiste **ar lá áirithe**. Uaireanta bíonn cúis éigin ann nach dtugann siad pictiúr cruinn de pháiste mar shampla má bhíonn sé/sí tinn, tuirseach, imníoch nó sceitimíneach. Bíonn tuairim an mhúinteora an-tábhachtach freisin. Tá eolas breise ar na trialacha caighdeánaithe le fáil ar www.ncca.ie.

*As with other tests your child does in school, his/her result on a standardised test can be affected by how he/she feels **on the day** e.g if sick, tired, worried or excited. Therefore each test result is an **indication** of your child's achievement. The teacher's opinion is also very important. Further information on standardised tests is available on www.ncca.ie.*
